

FOR IMMEDIATE RELEASE

ADI METAL IS NAMED FINALIST IN THE SOUTH FLORIDA MANUFACTURER ASSOCIATION'S 2014 MANUFACTURER OF THE YEAR AWARD

ADI Metal was named one of only 16 Finalist for the 2014 Manufacturer of the Year Award. Each year SFMA (South Florida Manufacturers Association) celebrates excellence in Manufacturing by recognizing both those individuals and companies that had demonstrated excellence in the prior year.

By hosting a competition that critically evaluates attributes of companies and employees, SFMA provides an infrastructure through which they determine first, the finalists, then the winners in several categories for “Manufacturer of the Year” and “Employee of the Year”. SFMA is an advocacy organization that serves to improve the business climate for manufacturers in Florida.

ADI Metal is recognized for their superior service and support to the manufacturing landscape in Florida by providing excellent product and business practices, adding consistent value to the manufacturing supply chain.

The Manufacturer of the Year is based on the following criteria:

- 1) Leadership
- 2) Strategic Planning
- 3) Customer Market & Focus
- 4) Measurement, Analysis & Knowledge
- 5) Workforce Focus
- 6) Operations Focus
